

Village Medical

Patient Legal Name: Meenaa Kannan  
Date of Birth: 06/14/1993

# lipid panel, serum

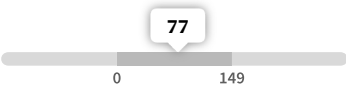

Ordered by Katina Hope, MD | 1/2/2024

cholesterol, total mg/dL

Above High Normal

triglycerides mg/dL

HDL cholesterol mg/dL

VLDL cholesterol cal mg/dL

LDL chol calc (nih) mg/dL

Above High Normal

**Note from healthcare provider:**

Your cholesterol is slightly elevated. No medication is warranted at this time, however I strongly recommend a low carb/low fat in order to avoid worsening cholesterol and complications such as heart disease or vascular disease

comment:

NP
